

# 3 STEPS TO GET YOU STARTED WITH GRUBHUB, DOORDASH OR UBER EATS

## DECIDE WHICH 3RD PARTY DELIVERY COMPANY YOU WANT TO PARTNER WITH

Grubhub and DoorDash control different parts of the country. According to [Second Measure](#), DoorDash earned 38% of U.S. consumer's meal delivery sales in January 2020, while Grubhub took in 31%. Uber Eats earned 20% of U.S. meal delivery spending in January.

## SET UP YOUR ACCOUNT

All these 3rd party delivery companies make this relatively easy for you to do. Click on the links below to create your account.

[Uber Eats](#) • [GrubHub](#) • [DoorDash](#)

## ONCE YOUR ACCOUNT IS ACTIVATED, PREP YOUR MENU, PACKAGING & KITCHEN STAFF FOR DELIVERY

Work with your chefs to ensure that your menu includes food choices that can be transported safely. Upgrade your packaging to containers that will keep food warm and presentable for delivery, such as [G.E.T.](#) Check for accuracy during and after order production to ensure the food is what the customer wanted.
