

LAND O'LAKES INC.

# DAIRY REVENUE PROTECTION (DRP)

## MILK REVENUE INSURANCE

DRP is an area-based revenue product backed by the Risk Management Association (RMA) designed to insure against unexpected declines in the quarterly revenue from milk sales relative to a guaranteed coverage floor level.

### LAND O'LAKES DRP OFFERINGS

#### PRICE & PRODUCTION PROTECTION

Revenue is protected from changes in both prices and state level production by quarter

- Sets a floor price, allowing for upside potential to be realized

#### CLASS OR COMPONENT PRICING

Flexible and customized to the producer's specific operation and geographic location

#### SUBSIDY & PREMIUMS\*

Costs subsidized 44% - 59% by the USDA with no up-front cost

#### VOLUME & COMPONENT LEVELS

Available for dairies of any size. Producers can cover up to 100% of volume and up to 5.5\*\* butterfat & 4.5\*\* protein component levels
